

## Introducing the MAK-HPCP4300 VESA Mount Adapter Kit for the HP Compaq Pro 4300 All-in-One Business PC

*Provides the ability to remove the stand and attach the HP Compaq Pro 4300 All-in-One to VESA compliant mounting devices, such as a wall mount or desk mount arm, that provides the VESA 100 attachment (100mm x 100mm).*

*(Desk Mount Arm Not Included)*

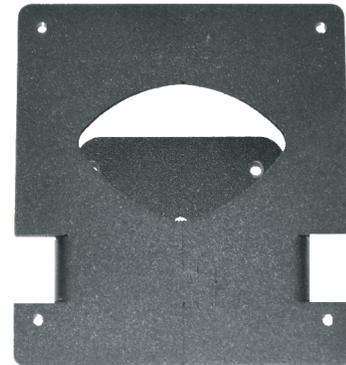

The MAK-HPCP4300 is a custom mount adapter bracket designed specifically for the HP Compaq Pro 4300 AiO Business PC. The stand is first removed from the 4300, then the mount adapter is attached to the back of the computer using the same holes and hardware. When installed, the 4300 AiO is ready to be attached to a VESA 100 compliant mounting device providing the correct weight capacity.

- The MAK-HPCP4300 provides the correct support and mounting interface for HP Compaq Pro 4300 AiO models to be attached to VESA 100 compliant mounting devices.
- The patent pending design requires no modifications made to the back of the computer, ensuring that the warranty is not voided.
- Tested by HP Commercial PC Division.
- Slim design allows for the front of the Pro 4300 AiO to be mounted less than 4" from the wall when using a \*Flush Wall Mounting Device.
- Steel construction with durable powder coat finish. 100% manufactured in the USA. Proudly Made in Michigan.

The ability to mount the HP Compaq Pro 4300 allows for space-saving benefits and the adjustability for a more comfortable interaction experience for the user.

\*Flush Wall Mounting Device Not Included
