

Introducing the VMK-8200EAIO VESA Mount Adapter Kit for the HP Compaq 8200 Elite All-in-One Business PC

Provides the ability to remove the stand and attach the HP Compaq 8200 Elite All-in-One to VESA compliant mounting devices, such as a wall mount or desk mount arm, that provides the VESA 100 attachment (100mm x 100mm).

(Desk Mount Arm Not Included)

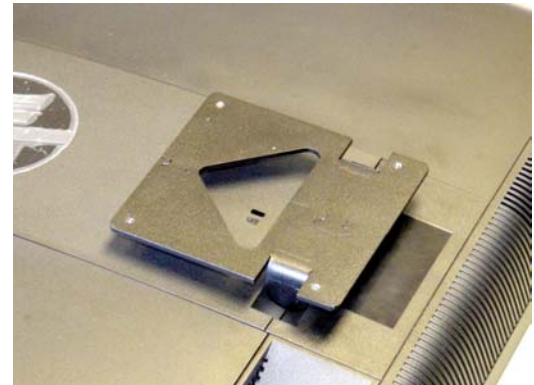

The VMK-8200EAIO is a custom mount adapter bracket designed specifically for the HP Compaq 8200 Elite AiO Business PC. The stand is first removed from the 8200, then the mount adapter is attached to the back of the computer using the same holes and hardware. When completed, the 8200 is ready to be attached to a VESA 100 compliant mounting device.

- The VMK-8200EAIO provides the correct support and mounting interface for HP Compaq 8200 Elite AiO models to be attached to VESA compliant mounting devices.
- The patent pending design requires no modifications made to the back of the computer, ensuring that the warranty is not voided.
- Tested by HP Commercial PC Division.
- Slim design allows for the front of the 8200 Elite AiO to be mounted less than 4" from the wall when using a *Flush Wall Mounting Device.
- Steel construction with durable powder coat finish. 100% manufactured in the USA. Proudly Made in Michigan.

The HP Compaq 8200 Elite AiO Business PC brings a new level of enterprise-class computing to business. The ability to mount the all-in-one computer allows for additional space-saving benefits, and the adjustability for a more comfortable environment. In public settings, the 8200 Elite AiO can be mounted strategically to attract attention, and the display can be positioned for a more inviting and comfortable interaction experience.

*Flush Wall Mounting Device Not Included
